

# Family Activity Sheet 4

Welcome to Court Barn  
These fun activity ideas are for the whole family as you walk around the exhibition plus an idea to try on the way home.

There are some children's toys in the exhibition.  
See if you can find them.

Mr Miller carved and painted some beautiful alphabet bricks. Take a close look at the designs. Have a go at drawing some of them.

What do you think is carved on the opposite side of the bricks?

Ideas for on the way home

Take a good look at how designers use lettering – shop-fronts, street signs and packaging are interesting places to start.
